

We are excited to announce that our new local office dedicated to the [Pineywoods CCS Hub](#) is now open and ready to serve as a center for collaboration and information sharing. As we continue to engage with local leaders and residents to develop a safe and environmentally responsible project that enhances the well-being of communities within and around our project area, I invite you to visit us and gain insights into the significant work we are undertaking in this crucial field.

Pineywoods CCS Hub Office
1919 Trinity St., Ste B
Liberty TX 77575
(713) 498-2998

For now, our office will be open by appointment only. Please contact me to schedule a convenient time. Regular office hours will be posted this summer.

We are eager to welcome you and provide insights into the project's objectives, progress and opportunities for community involvement. Together, we can make a meaningful impact in addressing climate change and advancing sustainable solutions within the Southeast Texas region.

Best regards,

Dale Nadeau
